## What are the risks of investing?

### Risk indicator for the Lifetime Retirement Income Fund<sup>1</sup>

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the Fund's assets goes up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at [sorted.org.nz/tools/investor-kickstarter](https://sorted.org.nz/tools/investor-kickstarter)

Note that even the lowest category does not mean a risk-free investment, and there are other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. The risk indicator is based on an alternative methodology for calculating volatility due to the use of the Risk Management Overlay and is based on the potential future volatility of the Fund<sup>3</sup>. While risk indicators are usually relatively stable, they do shift from time to time. The risk indicator will continue to be updated in future fund updates.

See the Product Disclosure Statement (**PDS**) for more information about the risks associated with investing in this Fund.

## Notes

---

1. This Fund came into existence on 26 March 2021. To calculate the risk indicator, market index return data has been used for the five-year period ended 30 April 2020. Using index return data may make the risk indicator a less reliable indicator of how much fund values are likely to go up and down in future.
2. The Fund has not yet been in existence for a 12-month period.
3. The Fund has not been in existence for a 12-month period, so the Annual Fund Charges are based on an estimate of assets under management, fund performance, fees and expenses forecast to occur in the 12-months following the first unitisation of the Fund. More information about the estimated Annual Fund Charges is available on the offer register at [disclose-register.companiesoffice.govt.nz](https://disclose-register.companiesoffice.govt.nz) (search for 'Lifetime Retirement Income Fund').
